Nhenf Walk Sunday June 30th at 3pm - Meet At All Square Electrical

We walk this year on Sunday June 30th at 3pm from All Square Electrical 104 Talbot Rd W11 1JR. We explore the past with this 1915 postcard illustrated below in our hand, and the past beyond that coming up into the murky world of Peter Rachman and the urban workings of the 1970's, and a discussion of the futurism of that which replaced this street (Burlington Rd) with Wessex Gardens.

Burlington Road is illustrated on this postcard sent in 1915 on January 14th catching the 10.45 am post. In telegram Daisy writes in telegram style to Mr G J James of 4 Ninian St Treorchy Rhondda G lam. 14. 1. 15. **'Our town residence. Sorry have not written before · have been very busy - Hope you are getting better & able to go out. Will write during the week · end if I have time. Daisy.** (Not clear if 'end' or 'and' if I have time...) Clearly she didn't have much time!
